

## 75<sup>th</sup> Annual Exhibit & Sale on the Guilford Green July 14–16, 2023

For many decades Guilford Art League has held an annual exhibit and sale of members' work on the Guilford Green concurrently with the Guilford Art Center's Craft Expo. This three-day event is open to all GAL members whose 2023 dues are paid. We invite any member who is interested in selling their work to set up a table or tent and to meet some of the thousands of visitors who come to see our show as well as the Craft Expo. Ten-by-ten-foot spaces are available.

If you would like to participate, please read the instructions carefully and send the application form below directly to our exhibit coordinator Jodi Marra by June 12 (address below).
