

*The Guilford Art League was founded in 1947 by a small group of local artists. Our goal is to promote and stimulate interest in the visual arts. We are a participatory and interactive group of artists who learn and benefit from our association with one another.*

Membership is granted to all Connecticut residents over the age of 18 with payment of annual \$30 dues. Membership includes

- invitations to all shows, meetings, demonstrations, and other events, including our potluck supper in May
- reduced entry fees for our annual juried show in September
- eligibility to exhibit in our member shows (one or two per year, spring and summer)
- eligibility to exhibit in four seasonal shows at the Guilford Community Center (January, April, July, and October)
- eligibility to exhibit in our summer outdoor show the Guilford green (held simultaneously with the Guilford Art Center's annual Craft Expo in mid-July)
- periodic online newsletters of the league's events

And, of course, we hope every member will **VOLUNTEER** to help make the Guilford Art League a success! Check out our website at **[guilfordartleague.org](http://guilfordartleague.org)**!
